

HOYT ASSURANCE PROGRAM

Plan today for how to respond tomorrow ▶

The truth is there's never a good time for a roofing project. They're expensive, tend to happen after an abrupt failure, and conflict with your overall goals.

We know HOA, Condo, and other Multi-Family Facility boards and managers face a litany of headaches:

- Project Planning
- Capital Allocation
- Fund Appropriation
- Capital Campaigns
- Defective Products
- Service Calls for Repairs
- Insurance Claims
- Team Focus
- Installation Defects

The XAP solution protects the overall mission of your organization by preventing surprise roofing projects that force the re-allocate vital funds.

Avoid watching small issues turn into costly roof repairs with substantial interior damage with XAP.

Our autonomous drone inspections are coupled with manual examinations to provide a wealth of data to **plan for the future.**

Our reports focus on:

- Potential Leak Points
- Manufacturing Defects
- Weather Related Damages
- Precision Measurements
- Remaining Functional Life
- Ongoing Maintenance Items
- Comprehensive Planning

Our **secure cloud based reports** gives your team the information they crave when and wherever it's needed.
